**Description**

In the world of Feedback, the other F words are Frustration, Fear and Fallout. Don't fight it, Invite it! Companies and teams aim for innovative and creative environments. To have this dynamic space, feedback has to move quickly.

**Teaching Philosophy**

We believe that instructors, staff, and administrators have a shared responsibility to provide: 1) innovative course design and instruction; 2) a safe, learner-centered environment; and 3) an authentic learning experience.

**Student Responsibilities**

To ensure a quality and safe learning environment, students are required to follow the Post-Secondary Student Behavior policy #560. This policy can be found at [www.mntc.edu/board-policies](http://www.mntc.edu/board-policies). Printed copies are available upon request.
