Course Syllabus

Photoshop Basics 2
CM411

Hours: In Class 15 Clinical 0 Total 15

Description

Part 2 of Photoshop builds on your confidence with using the program and progresses through a solid intermediate skill level that will benefit even those who may already use Photoshop on a regular basis.

Prerequisites

Photoshop Basics 1 or a working knowledge of Photoshop
CM 410 Photoshop Basics 1

Learning Objectives

- Utilize Layer Masks techniques.
- Use blending modes to modify images.
- Create backgrounds and textures.
- Demonstrate color corrections, additions, and replacements with selections and clipping masks.
- Explore techniques to retouch portraits - soften skin, brighten eyes and teeth, etc.
- Correct over and under exposed images.

Teaching Philosophy

We believe that instructors, staff, and administrators have a shared responsibility to provide: 1) innovative course design and instruction; 2) a safe, learner-centered environment; and 3) an authentic learning experience.

Student Responsibilities

To ensure a quality and safe learning environment, students are required to follow the Post-Secondary Student Behavior policy #560. This policy can be found at www.mntc.edu/board-policies. Printed copies are available upon request.
