

**MOORE NORMAN**  
TECHNOLOGY CENTER

Course Syllabus

**InDesign Basics 1**  
CM430

Hours:    In Class 15                    Clinical 0                    Total 15

**Description**

Create many types of documents, from single page advertisements and fliers, to complex multi-page color publications. In this course, you will explore the features of creating documents with Adobe InDesign, the robust and easy-to-use design and layout program, and gain the confidence in its use to start doing more in the field of graphic design. This course includes an easy-to-follow book and leads to more in depth knowledge of the Graphic Design field of work.

**Books**

Adobe InDesign: Classroom in a Book

- ISBN: 978-0-321-92697-5 (Included)

**Required Supplies/Materials**

Flash drive with at least 8gb of free space.

**Learning Objectives**

- Demonstrate the use of the InDesign work area
- Create a single-page publication
- Create and use master pages, templates and style sheets
- Demonstrate the use of frames
- Demonstrate the use of type
- Demonstrate importing and linking graphics

**Teaching Philosophy**

We believe that instructors, staff, and administrators have a shared responsibility to provide: 1) innovative course design and instruction; 2) a safe, learner-centered environment; and 3) an authentic learning experience.

**Student Responsibilities**

To ensure a quality and safe learning environment, students are required to follow the Post-Secondary Student Behavior policy #560. This policy can be found at [www.mntc.edu/board-policies](http://www.mntc.edu/board-policies). Printed copies are available upon request.
