Course Syllabus

InDesign Basics 2

CM431

Hours : In Class 15 Clinical 0 Total 15

Description

Part 2 - Go more in-depth with InDesign to create many more types publications. Work towards a mastery of the program and jump in to the field of Graphic Design. This class includes work from the same book used in part 1, plus more customized projects for the individual.

Prerequisites

CM 430 InDesign Basics 1
CM 430 InDesign Basics 1

Books

Adobe InDesign: Against the Clock - ISBN: (Required)

Required Supplies/Materials

Flash drive with at least 8gb of free space.

Learning Objectives

demonstrate the use of master pages when creating others and application of master pages to multiple pages.
demonstrate the use and importing of styles.
demonstrate the positioning of graphics so they flow within text; control composition, hyphenation, and justification; track and kern types; and scale text frames.
demonstrate the importation of files from various formats; and store and retrieve items in libraries.
demonstrate the use of transparency.
create sections to change page numbering within a document; and navigate in a sectioned document.
create a table of contents; create an index; and create a book consisting of multiple documents.
create Rich Interactive Documents.

Teaching Philosophy

We believe that instructors, staff, and administrators have a shared responsibility to provide: 1) innovative course design and instruction; 2) a safe, learner-centered environment; and 3) an authentic learning experience.

Student Responsibilities

To ensure a quality and safe learning environment, students are required to follow the Post-Secondary Student Behavior policy #560. This policy can be found at www.mntc.edu/board-policies. Printed copies are available upon request.
