

CDA Unit 1 Providing for Children's Safety Online
MCC341

Hours: In Class 10 Clinical 0 Total 10

Description

Part of the 10 class, 150 hour series, in the Pathway to the Childcare Development Associate, CDA, national credentialing program. Unit 1 focuses on safety and its implementation into policy and practice in the childcare setting.

Prerequisites

None. Classes in this program series do not need to be taken in any sequence except that Unit 10 must be taken after all the other classes have been completed successfully

Books

Early Care and Education Pathway to your National Credential - ISBN: HE3032

Learning Objectives

- identify the need for integrating safety into all program planning
- Access information necessary to maintain required credentials in CPR and first aid training
- Cite appropriate emergency plans including staff responsibilities, crisis management, and effective emergency procedures
- Identify staff responsibilities in events that involve injury
- Describe services available to Oklahoma Warn Line

Teaching Philosophy

We believe that instructors, staff, and administrators have a shared responsibility to provide: 1) innovative course design and instruction; 2) a safe, learner-centered environment; and 3) an authentic learning experience.

Evaluation Methods

Students must make 80% on the final exam

Student Responsibilities

To ensure a quality and safe learning environment, students are required to follow the Post-Secondary Student Behavior policy #560. This policy can be found at www.mntc.edu/board-policies. Printed copies are available upon request.
