Hours :    In Class   6                      Clinical   0                      Total   6

**Description**

Come learn the skills and strategies to help get your grant proposal selected in this workshop designed for aspiring grant writers or those working in the education and non-profit field.

**Learning Objectives**

By the end of this course, students will be able to:

1. List the essential components of a grant proposal.
2. Describe how to customize a proposal to align with the grantmaker.
3. Assess personal writing for credibility and clarity.
4. Articulate past impact and anticipated outcome.

**Teaching Philosophy**

We believe that instructors, staff, and administrators have a shared responsibility to provide: 1) innovative course design and instruction; 2) a safe, learner-centered environment; and 3) an authentic learning experience.

**Student Responsibilities**

To ensure a quality and safe learning environment, students are required to follow the Post-Secondary Student Behavior policy #560. This policy can be found at [www.mntc.edu/board-policies](http://www.mntc.edu/board-policies). Printed copies are available upon request.
