

Evaluation Methods

A certificate of completion requires 100% attendance, completion of all required assignments and passage of the class exam with a score of 80% or higher. The student must pass this exam to qualify to take the State exam.

Student Responsibilities

To ensure a quality and safe learning environment, students are required to follow the Post-Secondary Student Behavior policy #560. This policy can be found at www.mntc.edu/board-policies. Printed copies are available upon request.
