Course Syllabus

First Time Home Buyer Education
RE500

Hours: In Class 3 Clinical 0 Total 3

Description

This course will prepare first time home buyers with important information to help them understand and to be equipped to purchase their first home.

Learning Objectives

- Discuss preparation and money management
- Understand credit and pre-approval process
- Discuss lending and various loan arrangements
- Discuss the home buyers rights and the role of the realtor
- Understand offers, contracts and closing
- Understand responsibilities of home ownership

Teaching Philosophy

We believe that instructors, staff, and administrators have a shared responsibility to provide: 1) innovative course design and instruction; 2) a safe, learner-centered environment; and 3) an authentic learning experience.

Student Responsibilities

To ensure a quality and safe learning environment, students are required to follow the Post-Secondary Student Behavior policy #560. This policy can be found at www.mntc.edu/board-policies. Printed copies are available upon request.
