

**MOORE NORMAN**  
TECHNOLOGY CENTER

Course Syllabus

**Roofing Code Updates**  
TI803

Hours:    In Class 4                    Clinical 0                    Total 4

**Description**

This class is taught by a professional in the construction industry. It meets the requirements for continued education hours for maintaining commercial roofing licensure, and is approved by the Construction Industries Board of Oklahoma. Participants will receive code update instruction as well as safety and other pertinent information.

**Learning Objectives**

Identify all changes to most current code updates and their practical application.

**Teaching Philosophy**

We believe that instructors, staff, and administrators have a shared responsibility to provide: 1) innovative course design and instruction; 2) a safe, learner-centered environment; and 3) an authentic learning experience.

**Student Responsibilities**

To ensure a quality and safe learning environment, students are required to follow the Post-Secondary Student Behavior policy #560. This policy can be found at [www.mntc.edu/board-policies](http://www.mntc.edu/board-policies). Printed copies are available upon request.
