

**21st Century Tools to Engage Digital Natives**  
TT252

Hours:    In Class 2                    Clinical                    Total 2

**Description**

Digital Natives are students who have been using technology their entire lives. This course will be a demonstration of several technology tools to motivate and engage the digital natives in your classroom.

**Learning Objectives**

1. Discuss the purpose in using technology in the classroom.
2. Demonstrate at least 3 21st Century tools to engage digital natives.
3. Create 1 tool to use in your classroom from the 3 that were demonstrated.

**Teaching Philosophy**

We believe that instructors, staff, and administrators have a shared responsibility to provide: 1) innovative course design and instruction; 2) a safe, learner-centered environment; and 3) an authentic learning experience.

**Teaching Methods**

- We believe that instructors, staff and administrators have a hared responsibility to provide:
- innovative course design and instructions
  - a safe, learner-centered environment
  - an authentic learning experience

**Evaluation Methods**

- Successful completion of this course will be determined by:
- attendance
  - attentiveness (as observed by instructor)
  - active participation in classroom activities (as observed by instructor)

**Student Responsibilities**

To ensure a quality and safe learning environment, students are required to follow the Post-Secondary Student Behavior policy #560. This policy can be found at [www.mntc.edu/board-policies](http://www.mntc.edu/board-policies). Printed copies are available upon request.
